Average Salary of Jobs Matching Your Search

Average Freight Broker salaries for job postings nationwide are 221% higher than average salaries for all job postings nationwide.

Here's what the top three salary sites have to say:

- **PayScale:** Median salary of \$41,571. On the low-end, brokers earn \$30,177. On the high end, they earn around \$73,500. Brokers in big cities, such as Dallas, Kansas City, Houston and Portland, earn higher salaries.
- **Glassdoor:** National average salary is \$37,592. Minimum salary is around \$31,000, while high-end salary is around \$49,000.
- **Indeed:** Transportation brokers earn on average \$92,000 per year. Another Transportation Broker entry lists \$54,000 as the average salary. Broker agents earn, on average, \$76,000 per year, while **freight broker agents earn \$256,000 per year.**

While the averages vary, we do know that brokers make *at least* as much as most company drivers. Many freight brokers/agents earn six figures; most working from their home offices.
